

Formed in 1950, the Weyburn Wildlife Federation began its existence to help and preserve our area's habitat for all species of fish and wildlife to ensure its sustainability for people to enjoy now and for years to come. As a non-profit charitable organization, we participate provincially and locally in as many projects as we can to enhance and support our community.

2023 Projects, Donations and Programs

Habitat Trust Fund	\$5000	Hannin Creek Camp for Kids	\$1000	Pheasant Program	\$1900
City of Weyburn Planter	\$200	Take Me Fishing Program	\$250	Angler's Atlas	\$525
WWF Bursary	\$1000	FIN(s) Program	\$500	Weyburn Oilwomen	\$500
Tree Planting	\$1200	Fillet Shack – Mainprize	\$3000	Young Fellow Donation	\$250

We continue to offer a \$1000 bursary, applications can be found on our website and submitted directly to us for consideration. This award will be given, to the Grade 12 graduating student who best exemplifies enthusiasm to school, community volunteerism, WWF activities, education in an Environmental Sciences and is a current WWF member. Watch for our application and full criteria on our website at the end of March.

We have also been busy working at our clubhouse to tidy up our property so we can utilize it to its full potential. We will continue to rent out the clubhouse and property. Please visit our website to get more rental information. We are grateful to have this property and all the opportunities it provides and still have some amazing plans for continued growth.

Last year we added Nickle Lake to our derby list on January 1st. We held our 2nd annual derby at Mainprize in March. We continue to host our annual Walleye Classic Fish Tournament in June. These events were a huge success and brought us back and out of our shell in regrouping as an organization and getting our club active again. These derbies and tournament help us to be able to reach out to our youth and to get them back to exploring the land and it's habitat.

The WWF Archery Club has hit the ground running and continues to involve and add members. There is a weekly shoot and then every couple months we hold a 3D shoot out at our WWF Archery Range at Goodwater. Make sure to watch our social media to find out more.

One of the programs we hold, and always have interest in is our "Take me Fishing" in memory of Glen Fleming. We were so impressed with our turnout and the kids always have a blast and can't get enough. This will be a project we will continue both in the winter and summer for years to come! We have a new youth coordinator on board and looking forward to all the actives and programs we will add to our organization.

Our annual major fundraiser, the Fred Garner Memorial Banquet and Trophy Night, will be held on Saturday April 13, 2024 at Ag Society in Weyburn, SK. Tickets will go on sale early March and can be purchased through our website or contact Terra Hartley Ortman-306-861-8235 or Larry Olfert 306-861-2344. We are excited to be able to spread out more with the new location. But there will be limited tickets available and with the bigger area this year we are adding a kid's corner for them to be able to try archery and some other fun activities.

As with all non-profits, we rely on the generosity of sponsors to maintain our services. Please consider investing in one of the sponsorship levels. You can find our sponsor levels attached. Please RSVP by April 3rd, 2024, to ensure proper recognition of your sponsorship on all our event media.

On behalf of the Weyburn Wildlife Federation, we thank you for considering this request and look forward to seeing you at our event!

Thank you,
Weyburn Wildlife Federation
